

IxDA Sydney Mentoring Program Podcast

00 - Teaser, something BIG is coming!

Audio Transcript

Mags Hanley:

Once we get a seat at the table, we're unsure of what to do with the seat at the table.

Vinita Israni:

Welcome to the IxDA Sydney mentoring program podcast, a show that guides you through the stages of design mentorship,

Paul Blake:

I've been heartened by the amount of sort of talent there is out there,

Vinita Israni:

whether you're just starting out and looking,

Tim Yeo:

what do we do with them? How do we help them progress and level up to become even better designers?

Vinita Israni:

Or you're a seasoned designer,

Paul Blake:

It's okay not to know what the answer is right?

Vinita Israni:

Join us as we talk to design thinkers.

Marla Mitelman:

If it's working, great, steal it and make it better, and design

Vinita Israni:

and design do-ers.

Mags Hanley:

feature factory doing a feature factory feature feature feature feature

Vinita Israni:

around Sydney and Australia. We can't guarantee answers.

Marla Mitelman:

I don't have a solution for you, Sam. It's really bloody hard at the moment.

Vinita Israni:

Just better questions,

Tim Yeo:

but I choose to grow I choose to do this I choose to try.

Vinita Israni:

Find us on all good podcasting platforms in March 2022.
